GUMROAD Instructions

We currently use Gumroad for our direct ebook and audiobook sales and distribution.

It's Simpler than it looks!

You should have received an email from noreply@customers.gumroad.com

1. Click on the "View Content" button
2. Sign in with the same email you used to purchase - set up a password if you haven't.
3. Download the files you want
4. Follow "installation" instructions per your device, which we've explained in GREAT detail in the next few pages.

.mobi for Kindle ebooks
.epub for Apple, android and other devices.
.mp3 and .wav for audio
.pdf for txt

You can install the Gumroad App to listen and read many things...

1. Get the Gumroad app from links at <https://gumroad.com/mobile>
2. Sign in with the same email you used to purchase
3. Read (and listen) within the Gumroad app.

SPREAD THE WORD SUPPORT THE WORK

If you have a free copy of this book, and you liked it, consider supporting the author/buying it for the price of a cup of coffee, a slice of pizza, a yoga class, whatever seems fair.

Kindle Instructions

Amazon Kindle via Gumroad

Once you've set up an email address to send documents to your kindle, this is easy!

1. Click the "Send to Kindle" button
2. The FIRST time you do this, you'll need to follow the directions to "Add an Email Address to Receive Documents in Your Kindle Library" <https://www.amazon.com/gp/help/customer/display.html?nodeId=GX9XLEV8G4DB28H>
3. Be sure to add support@gumroad.com to your list of approved personal document emails.
4. Enter your Kindle's email address.
5. Click "Send to Kindle" again

Amazon Kindle via Hardware

1. Download the file
2. Attach the device to your PC with a USB cable.
3. Click the "Send to Kindle" button
4. Drag and drop the file **.mobi version** onto your Kindle
5. Read and enjoy!

Amazon Kindle (via Wifi and email)

1. Go to amazon.com/myk
2. Click the Devices tab, find the relevant Kindle device and click the three dots on the left.
3. In the pop-up window, you'll see an @kindle.com email address. (It's set to a default address, but you can change it by clicking Edit.)
4. Back up top, click the Preferences tab and scroll down to **Personal Document Settings**.
5. Click the down arrow on the right and scroll to "Approved Personal Document E-mail List." The email attached to your Amazon account should be listed here. If that's the email address you'll be using to send e-books to your Kindle, you're all set. To use a different email, click "Add a new approved e-mail address" and enter the address you want to use.
6. Attach the **.mobi version** file to an email, send it to your Kindle's email address (with any subject, and NOTHING in the body of the email), and it should appear on your Kindle shortly.
7. Read and Enjoy!
