Early Reader Reviews

"I read the book in one sitting and was laughing repeatedly..."

The short stories are witty, whimsical...

Do you need to be Jewish to love these stories? No, you don't." – *Abe C.*

"Abrahamson's prose savvily mixes the homey and the surreal, and he's a master of the cozy bedtime story. The Village Feasts, with its often silly phrasing and emphasis on ritual and community, demands to be read out loud, shared at a gathering or relished by little ones before bedtime, when sleepy eyelids are beginning to droop. A glossary in the endmatter is both helpful and comic." – *Booklife*

"The Village is snuggled in an indeterminate past that never was but certainly should have been, a past filled with love, humor, adventures and more than occasional misadventures. And when you go, be sure to bring the kids." – *The Times of Israel*

About

The Village Life series is a rich tapestry of traditional stories with a modern sensibility, and lovable characters who will transport you on a magical break from the stress of today. Written by Izzy Abrahamson and narrated by Mark Binder.
